TO: All Contractors Doing Work for Pleasant Prairie

RE: **Contractor Qualification**

Chapter 150, Contractors Qualification of the Municipal Code of the Village of Pleasant Prairie adopted April 29, 1991, requires any contractor or subcontractor desiring to maintain continuous qualification status with the Village of Pleasant Prairie for the year 2012 must file, with the Administrator, the Application and Statement of Qualification (download form pleasantprairieonline.com listed under "forms and licensing") and pay to the Village Treasurer the application fee as required by Chapter 150.8. **All questions must be answered. Incomplete applications will be rejected, and the application fee will not be returned.**

Any application filed by a qualified contractor or subcontractor in accordance with this Chapter shall continue the qualified status of such contractor or subcontractor for that year, but any qualified contractor or subcontractor who fails to file for the new year risks being unqualified.

The initial application fee is **\$30.00**, which must be submitted with the application. The fee for filing a 2012 application for a contractor pre-qualified in 2011 shall be one-half of the initial application fee or **\$15.00**, and such application shall be processed in the same manner as an initial or renewal application. If you wish to have the application faxed to you, there is an additional **\$5.00** charge.

If you have any questions, please call me at (262) 925-6721 or send email to villageadmin@plprairie.com.
